

Refer a Friend Terms and Conditions

This version published June 2019

When you refer a friend to NatWest Rooster Money and they subscribe to a Rooster Card, we will add £10 referral bonus (“Referral Bonus”) to both your parent accounts.

The following Terms will apply:

- Referrals can only be made by existing customers of Rooster Money who have a “Qualifying Rooster Card Account”.
- A Qualifying Rooster Card Account for the purpose of receiving a Referral Bonus is a “Valid Paying Subscription” or a valid NatWest Group customers offer for a Rooster Card, where the subscription or offer is not in the one-month trial period, and where at least one child card has been activated. A Valid Paying Subscription is a Rooster Card Account that has exited the free trial period and made a successful payment for either a monthly or annual card subscription. Both you and the referred friend must have Qualifying Rooster Card Accounts to receive the Referral Bonus.
- Only one account per household can refer friends and earn the Referral Bonus and existing customers cannot refer people in the same household.
- Existing customers may refer as many friends as they wish but should remember that Rooster Money parents must be UK residents aged 18 or above to hold a Rooster Card account.
- A referred friend can only be referred once and is restricted to one £10 Referral Bonus per account, per household.

- Qualifying Rooster Card Accounts will be bound by the **Rooster General Terms and Conditions** (“Conditions”), which contain all the terms applicable to the Qualifying Rooster Card Account, including any criteria you or a child user needs to meet to open and use the account. In particular the child user must be genuine and must meet the age criteria set out in the Conditions. Proof of age may be required.
- Referred friends who are already existing customers of World Learning Ltd. will not be eligible to receive a Referral Bonus. For example, if the referred friend opens a new account for the purposes of claiming a Referral Bonus both you and your friend will not receive a Referral Bonus.
- When you refer a friend you will receive your Referral Bonus when the referred friend has opened a Qualifying Rooster Card Account. The Referral Bonus will be paid into your parent account within 10 working days of the referred friend opening a Qualifying Rooster Card Account.
- For each referred friend who signs up to Rooster Money and opens a Qualifying Rooster Money Account we will add a £10 Referral Bonus to their parent account within 10 working days of opening that Qualifying Rooster Money Account.
- Where Rooster Money is unable to offer an account to a customer, neither the referrer nor the referred friend will receive a Referral Bonus.
- If either the referred friend or the referrer closes their Qualifying Rooster Money Account within 1 month after the 1 month trial has ended, the £10 Referral Bonus will be retained within their Rooster Money parent account and it will not be possible to withdraw it.
- This Refer a Friend offer is not open to employees or associates of World Learning Ltd and is also not open to employees of the NatWest Group plc. In addition, affiliate companies of World Learning Ltd are not allowed to promote this offer through their affiliate networks.
- This Refer a Friend offer may be varied or withdrawn at any time in whole or in part without prior notice and is subject to availability and our Fair Use policy.

Participation in this Refer a Friend offer constitutes acceptance of these terms and conditions.

- This offer cannot be used in conjunction with other offers except the one month free trial offer, which every Rooster Card passes through, and the **NatWest Group customer offer** available for NatWest, Royal Bank of Scotland and Ulster Bank current account customers.
- The Referral Bonus amount will be amended from time to time and such changes will be communicated through the Refer a Friend pages in the Rooster Money app.
- The Promoter is World Learning Limited whose registered office is 250 Bishopsgate, London, England EC2M 4AA
